

Company Priority #1	Owner	Status
		<input type="checkbox"/> Will happen <input type="checkbox"/> At risk/need help <input type="checkbox"/> Will not happen

Company Priority #2	Owner	Status
		<input type="checkbox"/> Will happen <input type="checkbox"/> At risk/need help <input type="checkbox"/> Will not happen

Company Priority #3	Owner	Status
		<input type="checkbox"/> Will happen <input type="checkbox"/> At risk/need help <input type="checkbox"/> Will not happen

Company Priority #4	Owner	Status
		<input type="checkbox"/> Will happen <input type="checkbox"/> At risk/need help <input type="checkbox"/> Will not happen

Company Priority #5	Owner	Status
		<input type="checkbox"/> Will happen <input type="checkbox"/> At risk/need help <input type="checkbox"/> Will not happen

**What's one specific thing we can do as an organization to improve next period based on last period's Priorities?**  
 Refine and rewrite your idea as a S.M.A.R.T. priority.
